ABOUT US

Rodha Khalid Paints is well known and respected as one of the leading suppliers of world class plumbing products in the State of Qatar. It's a reputation earned through a total dedication to quality and customer service that's been the hallmark of the company since it was established in the year 1986. Since its inception, Rodha Khalid Paints has been part of most of the prestigious projects in Qatar and was instrumental in providing state of the art solutions in plumbing applications. We at Rodha Khalid Paints aspire to provide the best construction products and integration services to the building and construction industry of this country.

ISO 9001:2015 Certified

To fulfill our commitment to adhere to global standards. Rodha Khalid Paints has been ISO certified. We are further committed to achieving customer satisfaction using quality procedures which are operated to meet or exceed the requirements of ISO 9001.

Quality Assurance

Rodha Khalid Paints has heavily invested in quality and prides itself in delivering highest standards of products and services throughout Qatar and the other parts of Middle East. The Company has developed its expertise since its establishment and its aim is to sustain and raise the bars of quality of deliverables to the construction industry.

Service

It is the policy of Rodha Khalid Paints to provide total value for money and satisfy the customers with goods and services to the agreed requirement in accordance with the details and price. The company believes that its market expects a continually improving service. We aim to continually improve the service we provide to meet the client's requirements and to provide solutions that we can justifiably be proud of.

Why choose Rodha Khalid Paints

Rodha Khalid Paints started its operations 35 years ago in the capital city of the State of Qatar, Doha and has been the most preferred supplier of building, infrastructure materials and sanitary ware in the country ever since. From the very inception in 1986, Rodha Khalid Paints has been a market leader in the construction industry with satisfied customers, contractors and consultants. Over the years it has gained reputation in the market as an efficient supplier and exclusive partner for well-known international brands, conforming to the highest standards of quality and performance. Some of the international brands represented by us are Pegler Valves, Yorkshire Tubes and Fittings, Stuart Turner Pumps, Thermex and Ariston water heater etc.

CISTERN WC TANK

- High level Dudley Diplomat with chain pull.
- Internal parts comply with Regulator's Specification.
- Dudley Turbo 88 syphon for simple servicing.
- Approved by BMA Water Label Scheme.

Uses

- Ideal for use in light to medium duty domestic and commercial applications.

Features

- Traditional styling.
- Cistern body in high density polystyrene.
- Side inlet.
- Internal/external overflow warning.
- Internal parts comply with the Regulator's Specification.
- WRAS approved one piece Dudley syphon.
- Black and white low level models come with white lever as standard. Coloured models come with chrome plated lever. High level options supplied with chain pull.
- Suitable for high level, low level and close-coupled installations.

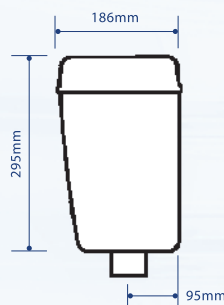

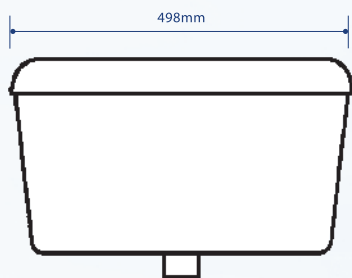

Water-saving

- 6/7/9 litre convertible full flush.
- Dudley Duoflush delivers water-saving reduced flush when lever is held down and full flush when lever is depressed and released.
- Approved by the Bathroom Manufacturer's Association Water Label Scheme.
- Supports Code for Sustainable Homes and BREEAM.

Options

- White, black or coloured cistern body.
- Dudley Hydroflo quiet inlet valve.
- Delay fill Hydroflo inlet valve that only allows cistern to start refilling once flushing is complete.
- Dudley Turbo 88 Duoflush syphon for servicing in under 5 minutes without disconnecting the water supply and dismantling the cistern.
- Bottom inlet.
